

Alternate Delegate Report

May 5th, 2007

- I've been out to a few districts just to visit and sit it.
- I've put everything on hold for the moment as far as training for trusted servants – pending something coming out of Structure today.
- I missed some of the DCM's this past month in my phone calls.
- I'll be out traveling with Samira on some of her Delegate reports.
- I'm starting to transition into my new responsibility by working on some items for our Regional Forum in September.
