

## **REACTION FROM A TEMPORARY SPONSOR**

What an unexpected gift this was. She received my first letter on her sobriety birthday! We are still in contact a couple of times a week. She's made amends to her arresting officers, regained custody of her children, and been so willing to share her experience with others. Just one more miracle of AA. I was able to share my experience with your program at our State Assembly, and many people were interested in helping if they could. I'm sure you'll receive forms from many areas of North Dakota. If you ever have another occasion to send an inmate home to our state, please feel free to contact me and I'll help hook you up with someone almost anywhere. Thanks for the wonderful opportunity to be of service. God bless you and encourage you in your future endeavors to carry the message.

Yours in service and love,

Brenda B.
