Minneapolis Intergroup liaison (Mark) not in attendance.

Finance mailing and H.O.P.E.S. bimonthly newsletter have been recently mailed out; look for them in your personal and group mail.

There is only one District meeting scheduled between the delivery of General Service Conference Agenda materials. We expect to have this information at the next Steering Committee meeting (Fridley Alano upstairs 7:30 pm Wednesday Feb. 18th). The March District meeting will be devoted primarily to presentation of these items. All GSR's should plan to attend (or send an alternate) to the Delegate's Workshop to share any concerns their group may have directly with our Area Standing Committees and Delegate.

Our Archives Workshop; "Sponsorship" is on Saturday February 28th at the Coon Rapids Civic Center, starting at 9am. Come, bring a snack or dessert and participate.
