

**IMPORTANT MEETING NOTICE  
DISTRICT NINE  
AA GSR/SERVICE MEETING  
7 PM TUESDAY APRIL 12, 2005**

**This is the regular monthly meeting for GSRs and interested AA members.**

**Our guest speaker will be the Southern Minnesota Area Chairperson, presenting a brief perspective on AA activities that take place beyond our regular AA Meetings. A short question and answer period will be followed by refreshments; then an election of Officers. The election procedure is a democratic one that is unique to AA and is known as the "Third Legacy Procedure." Next, there will be a discussion and decision on what the group wants to establish as the essential committees for the District, election of Chairs for them, and then there will be some time for the Committees to have their first meetings. Finally, we will decide where to hold future meetings.**

**We would like your group to be represented at this meeting, hopefully by more than one person.**
